GBGM ADVANCE SPECIAL PROJECT NUMBER 15159N- ILULA ORPHAN PROGRAM

To esteemed members of IOP Committees in USA, Netherlands, Norway, Luxembourg, Italy, German, Sweden and Denmark.

Wishing you a happiest new year 2021!

On behalf of the Most Vulnerable Children, the Ilula Community, and staff of Ilula IOP Tanzania I wish to thank you for your incredible support and your great generosity to IOP Tanzania.

The outgoing year 2020 was full of turbulence and uncertainty as a result of COVID 19 in Tanzania and even more in your respective countries. During this time of great uncertainty, we have been comforted, encouraged, and humbled by the outpouring of generosity and support from you! The steadfast support from you and your back donors has actually lifted our spirits and buoyed our strength. To us, you are our heroes and we *Thank You* for helping us meet the challenges of this moment, so we can continue to provide the highest order of education and care with inclusion, integrity, compassion, accountability, respect, and excellence. Your support helps to further our mission through education sponsorships, life sponsorship, health insurance, COVID support, community empowerment, educational and volunteers' infrastructure upgrading and construction and many other projects.

IOP Tanzania will continue being transparent and accountable on how your donations are spent, we value the trust you placed in us by your continuous donation to our organisation. IOP Tanzania provides all the necessary information on how we spend your donations. Annual Financial Audited Statements and Annual implementation Report will be made available to you through your emails as well as in our website www.ioptanzania.org Also, we will continue giving students and other updates through our monthly Newsletter and our social media pages in Facebook, Twitter and Instagram.

We pray that the COVID 19 pandemic situation improves during this year 2021 so we can continue receiving our most valued resource and backbone of our organisation- the volunteers including the founder of IOP Berit Skaare.

May God bless you abundantly.

Yours respectfully,

Edson Ernest Msigwa
